### Advantages:

- Low Cost
- Competitive Rates
- Available in several sizes depending on the need
- Quick Delivery
- Theft Resistant
- Heavy Steel Construction
- Double Door Access
- Locking Door Bars
- Mobility and Flexibility
- Wind and Weather Tight
- No Capital Investment
- Cost Effective
- Easy Ground Level Access

### Flexible Space

[Instant Mini Storage](#) will deliver as many containers when and where you need them. This allows you to maintain flexibility and eliminate the need to invest in bricks and mortar.

### Highly Secure

[Instant Mini Storage](#) containers are constructed of heavyweight steel with wind and weather-tight standards that provide excellent security for your contents.

### Ground Level

Ground level access reduces the risk of industrial accidents and decreases loading and unloading time. [Instant Mini Storage](#) containers may also increase business opportunities.

[Instant Mini Storage](#) specializes in renting/leasing or selling storage containers that are:

- 10' L x 8' W x 8' 6" H
- 20' L x 8' W x 8' 6" H
- 40' L x 8' W x 8' 6" H

[IMS](#) containers are of quality construction with an attractive exterior and clear span interior.

The color of an [Instant Mini Storage](#) container is a midrange brown, grey or blue which blend discreetly into the surrounding environment. Custom colors are also available.
